Date: May 23, 2022

Postgraduate Admission Notice (M.Sc./M.Engg.)

All applicants for admission into the postgraduate programs of the BME Department are informed that the admission procedure will be held according to the following schedule.

- Admission of an applicant into a postgraduate program of this Department is subject to the admission test, performance in the interview, submission of required documents, verification of original documents, and equivalence of degrees.
- The admission test will be held in person. The admission test syllabus will be based on the undergraduate course BME 101: Introduction to Biomedical Engineering offered at BME, BUET.
- A certain number of candidates with satisfactory performance in the admission test will be invited for an interview/viva. You are requested to bring all your original certificates, transcripts and thesis documents on the interview day.
- The Admission Committee reserves the right to refuse admission to any student who does not comply with the admission test guideline or where evidence exists that the applicant has adopted unfair means during the exam.
- For any event, situation, or circumstance not mentioned in this document, the decision of the Admission Committee shall be final and binding to all concerned.
- The applicants are advised that all further information will be available here: [http://bme.buet.ac.bd/?page\\_id=2101](http://bme.buet.ac.bd/?page_id=2101). Please continuously check the admission website for further updates.
