

Department of Biomedical Engineering  
Bangladesh University of Engineering and Technology  
**Postgraduate Course Registration (M.Sc./M.Engg./Ph.D.)**  
**April 2022 Term**

June 22, 2022

The list of postgraduate courses offered from the BME department in the April 2022 term, class schedule and course teacher information is provided below.

Course code	Course title	Name of Teacher	Day and time
BME 6007	Biostatistics	Dr. Jahid Ferdous	Saturday 2.00 - 5.00PM
BME 6205	Artificial Organ and Regenerative Medicine	Dr. Muhammad Tarik Arafat	Saturday 5.00 - 8.00PM
BME 6201	Advanced Biomaterials	Dr. Muhammad Tarik Arafat	Sunday 5.00 - 8.00PM
BME 6407	Machine Learning in Healthcare	Dr. Taufiq Hasan	Monday 5.00 - 8.00PM
BME 6101	Translational Neural Engineering	Dr. Abdullah Arafat	Wednesday 2.00 - 5.00PM
BME 6000	Thesis	-	-

- Students are requested to register for appropriate courses online through BIIS.
- Note that for registration of Thesis Course (BME 6000), a supervisor from the department of BME must be selected first. Please communicate with BME faculty members (holding doctoral degrees) requesting for supervision. Please provide the consent of the thesis supervisor in written form or through email before registration.
- Please note that you must apply to the department in order to change your student status to **part-time** or **full-time**. The application **deadline** for changing student status is **June 26, 2022**. Students are not allowed to apply to change **part-time/full-time** status after this date.

**Dr. Taufiq Hasan**

Associate Professor  
Secretary, Board of Postgraduate Studies (BPGS)  
Department of Biomedical Engineering (BME)  
BUET, Dhaka - 1205, Bangladesh
