

DEPARTMENT OF BIOMEDICAL ENGINEERING

Bangladesh University of Engineering & Technology
Dhaka-1205, Bangladesh

Phone: +880-2-55155032, PABX: 55167228-57, Ext. 6596, 6393, E-mail: headbme@bme.buet.ac.bd Web: <http://www.buet.ac.bd/bme>

Postgraduate Admission Notice (M.Sc./M.Engg./Ph.D.)

Postgraduate Admission, April 2023

Date: May 29, 2023

All applicants for admission into the postgraduate programs of the BME Department are informed that the admission procedure will be held according to the following schedule.

- Admission of an applicant into a postgraduate program of this department is subject to the admission test, performance in the interview, submission of required documents, verification of original documents, and equivalence of degrees.
- The admission test will be held in person at the Department of Biomedical Engineering. The admission test syllabus will be based on the undergraduate course BME 101: Introduction to Biomedical Engineering* offered at BME, BUET.
- A certain number of candidates with satisfactory performance in the admission test will be invited for an interview/viva.
- The Admission Committee reserves the right to refuse admission to any student who does not comply with the admission test guideline or where evidence exists that the applicant has adopted unfair means during the exam.
- For any event, situation, or circumstance not mentioned in this document, the decision of the Admission Committee shall be final and binding to all concerned.
- The applicants are advised that all further information will be available here: <https://bme.buet.ac.bd/admission/>. Please continuously check the admission website for further updates.

#	Task	Date and Time
1	List of eligible M.Sc./M.Engg./Ph.D. candidates for admission test/interview will be published	14/06/2023 Wednesday by 5:00 PM
2	Admission Test for all M.Sc./M.Engg. applicants (except for BUET BME graduates with CGPA not less than 3.75)	17/06/2023 Saturday from 3:00 PM - 4:00 PM

3	Publishing the list of shortlisted applicants for viva/interview	18/06/2023 Sunday by 5:00 PM
4	Viva/interview of shortlisted M.Sc./M.Engg./Ph.D. applicants. Bring all your original certificates/transcripts	20/06/2023 Tuesday at 2:00 PM
5	Publishing a list of provisionally selected M.Sc./M.Engg./Ph.D applicants	21/06/2023 Wednesday by 5:00 PM
6	Publishing the lists of finally selected applicants for admission	26/06/2023 Monday
7	Registration starts	03/07/2023 Monday
8	Classes start	03/07/2023 Monday
9	Orientation	04/07/2023 Tuesday

Jahid Ferdous

Dr. Jahid Ferdous

Associate Professor

Chair, Postgraduate Admission Committee

Department of Biomedical Engineering, BUET

* The course contents of BME 101 are provided below:

Introduction to Biomedical Engineering and Careers in Biomedical Engineering; Human Biology: Chemical basis of life, Brief introduction to Human anatomy and physiology. Biomechanics: Introduction to Biomechanics: Force, Moments and Couples system; MusculoSkeletal systems, Structures: Methods of Joints; Bio-materials and it interaction with tissue; Introduction to present-day medical measurements and relevant imaging and non imaging instruments; Biosensors: sensors for monitoring patients, Non-invasive biosensors for measuring metabolism and biophysical transport; The molecular biology and genetics starting with the chemistry and interactions of the key molecules of life: DNA, RNA, and protein; Computational biology: Algorithms for Biomedical/clinical data analysis for diagnostic, predictive, or prognostic purposes.
