Department of Biomedical Engineering
Bangladesh University of Engineering and Technology
Postgraduate Course Registration (M.Sc./M.Engg./Ph.D.)
October 2023 Term

Course Offering

The list of postgraduate courses offered by the BME department in the upcoming term, class routine, and course teacher information are provided below. All classes will be held in Room # BME 1105.

Course code	Course title	Name of Teacher	Day and time
BME 6203	Advanced Drug Delivery	Dr. Muhammad Tarik Arafat Professor, BME, BUET	Sunday 2.00PM - 5.00PM
BME 6105	Hearing and Speech processing	Dr. Taufiq Hasan Associate Professor, BME, BUET	Monday 5.00PM - 8.00PM
BME 6009	Drug Development	Dr. Jahid Ferdous Assistant Professor, BME, BUET	Saturday 2.00PM - 5.00PM
BME 6103	Biophotonics	Dr. Sajid Muhaimin Choudhury Assistant Professor, EEE, BUET	Saturday 11.00AM - 2.00PM
BME 6011	Advanced Biophysics	Dr. Mohammad Abu Sayem Karal Professor, Physics, BUET	Sunday 5.00PM - 8.00PM
BME 6401	Signal Processing in Biomedical Engineering	Dr. Tahsina Farah Sanam Associate Professor, IAT, BUET	Saturday 8.00AM - 11.00AM
BME 6000	Thesis	-	-

- Students are requested to register for appropriate courses online through BIIS.
- Note that for registration of the Thesis Course (BME 6000), a supervisor from the department of BME must be selected first. Please communicate with BME faculty members (holding doctoral degrees) requesting supervision. Please provide the consent of the thesis supervisor in written form or through email before registration.

Guidelines for Full-time/Part-time Status change

Note that you must apply to the department in order to change your student status to **part-time** or **full-time**. The application **deadline** for changing student status is **Wednesday, November 22, 2023**. Students are not allowed to apply to change **part-time/full-time** status after this date.

Prof. Dr. Muhammad Tarik Arafat
Head of Department
Department of Biomedical Engineering, BUET
